And How Are the Children?

Improving Outcomes for Children & Youth in Our Communities

Linda Francis, Guest Speaker and Discussion Facilitator

Director, Success of All Youth, OPRF Community Foundation

A not-to-miss forum for all concerned with best possible youth outcomes in our OPRF communities will be held November 14 at 9:30 at the Nineteenth Century Club. Linda Francis, the Director of Success of All Youth (SAY), will present SAY's comprehensive initiative to work with local groups, individuals, and children and their families to foster achievement for children and youth growing up in Oak Park and River Forest. This will be the first of an annual update series to track progress toward stronger, healthier communities in which every child is reaching her or his full potential.
