## PROTECT THE RIGHT TO VOTE!

Voters across the country encountered problems trying to vote in recent elections, including here in Illinois. Chicago Lawyers' Committee for Civil Rights and Election Protection, the nation's largest **nonpartisan** voter protection coalition, are gearing up to help Chicagoans vote this February.

**But we need your help!**

**What:** Volunteers are needed to help protect voting rights by assisting voters onsite as poll monitors in the Chicago municipal election.

**Who:** Any registered voter in Illinois!

**When:** Shifts on February 26, 2019 in Chicago.  
Volunteers must complete a training in advance (in person or online)

**How:** Sign up at [www.clccrul.org/election-protection-2019](http://www.clccrul.org/election-protection-2019)
