RECTOR'S REFLECTION

CHRIST CHURCH GLENDALE

JANUARY 2019

Dear Friends,

The arrival of a new year usually means the beginning of a new calendar or diary. However you keep track of the days, weeks, and months in a year, we are, right now, in a 'calendar' time. But not all calendars run from January to December. Fiscal or academic calendars are ones with which we are familiar. So, too, is the liturgical calendar that the Church uses, marked by seasons and special days, not weeks or months.

In a short period of time, we have gone from the end of the (non-)season of Ordinary Time, the (seemingly) endless Sundays after Pentecost that fill up the summer and fall, into the Advent season, defined by the four Sundays before Christmas, and now find ourselves in the twelve days of Christmas that will conclude January 6 on the Feast of the Epiphany. Then it will be back to Ordinary Time, which will run us up to Lent, which is followed by Easter, and the 'annual' cycle will have gone around once more.

One of the ways the Church marks the passage of the seasons is the use of color—in vestments, hangings, and even candles. To the question 'is it green, or purple (or blue), or white, or red,' the answer is yes. The truth is that there is no 'right' or 'wrong' in terms of ecclesiastical color. Using color to designate seasons or special days is simply a matter of tradition, certainly not of doctrine (please don't tell the Altar Guild)! But traditions are important, and perhaps a simple key to the use of colors in the Church might be helpful.

White (or gold) is used for feast days that commemorate events in the life of Jesus — Christmas, Epiphany, Easter, the Annunciation, and the Transfiguration, and for events which celebrate our incorporation into his life, death, and resurrection, like baptisms, funerals, and All Saints'. Red reminds us of the fiery power of the Holy Spirit, and is used on Pentecost, and at ordinations, and the consecration of a new church. Since red is also the color of blood, it is used to commemorate the saints, many of whom were martyrs. Purple is used in Lent because it is a royal color, and a somber one, too. It is suitable for the tone of Lent, and for our King, crowned with thorns, wrapped in a purple cloak and mocked by the soldiers who beat him. We sometimes use blue in Advent because it is a color long associated with the Virgin Mary, although having blue and purple vestments and hangings was and is, for many, a bit extravagant for relatively brief seasons.

And, finally, there is green, Kermit the Frog's favorite color. Green is used in Ordinary Time, between Epiphany and Lent, and in the long summer and fall months. Among other things, green is the color of creation, of the grass, and the trees; it is the color of the kingdom of God—the vineyard in which we are called to work. There are other colors used occasionally like pink or rose on the third Sunday of Advent, burgundy in Holy Week, and even black, for veiling crosses on Good Friday.

*The Rev. David Pfaff*

In many parts of the world, a church may have only one set of hangings, and use it 52 weeks a year. Some Christian traditions make no use of color at all. Whatever your background of tradition or location, what is important is what and who it is to which the colors point us — the saving work of God in Jesus Christ, and God's unmerited love for us. That is not tradition, that is the true good news to which we bear witness in all seasons.

As a new year rolls over on your calendar, may 2019 will be filled with the colorful brightness of God.

Faithfully,  
*David+*

### **Join us for Morning Prayer during the week**

Beginning Monday, January 7th, the parish clergy will begin saying Morning Prayer in the chancel of the Historic Church at 9:15 on Mondays, Tuesdays, and Thursdays. The service lasts no more than 20 minutes, and anyone who would like to join in keeping the 'Church's ceaseless round of prayer' going is very welcome.

# MUSIC AT CHRIST CHURCH

### **EVENSONG**

The next Evensong will be January 27, 2019, 5:00 PM Evensong with the Chorus Angelorum, the Adult Choir, and the Handbell Choir of Christ Church Glendale. Music will include selections being prepared for the Choir's pilgrimage to England in August 2019. There will also be assorted offerings from the Handbell Choir's large repertoire.

Evensong is a very accessible service for those unused to the Episcopal services and is a wonderful opportunity to bring acquaintances who may wish to experience our worship.

There will be fellowship afterwards in All Saints' Hall, and childcare will also be available.

### **MUSIC LIVE WITH LUNCH**

Music Live with Lunch is a series of free public concerts on the second Wednesday of each month. All concerts begin at 12:05 PM and last about 30-35 minutes. Bring your own lunch or purchase one already prepared for a nominal cost. Hot lunches will once again be available this year. Give yourself a refreshing midday break, but it is even more fun if you bring friends and coworkers with you. The next concert will be January 9, 2019 – Ricky Nye, Pianist. Traditional blues, boogie woogie, and classic New Orleans jazz and R&B all come flying from the fingers of Cincinnati pianist and vocalist Ricky Nye. Ricky has been inducted into the International Boogie Woogie Hall Of Fame, voted "Blues Artist Of The Year 2013 & 2014" in Cincinnati's CEA Awards, and "Best Local Musician" by CityBeat Magazine's "Best Of Cincinnati 2013 & 2014" reader's poll.

Please check the Chimes, [ChristChurchGlendale.org](http://ChristChurchGlendale.org), and the Music Live with Lunch flier for future concerts.

# *From the Prayer Ministry*

Let Hope Light Your Way

A timeless New Year's Message from 1987 by Dr. Norman Vincent Peale,  
Cofounder, Guideposts

Do you remember that marvelous night last summer when floodlights blazed in New York Bay and the Statue of Liberty emerged from the darkness, lovingly restored, golden torch held high, fireworks sparkling around her? I heard of one little boy watching on TV, who said, "She's trying to say something."

Perhaps she was. If the Lady with the Lamp could speak a single word, I think I know what that word would be: HOPE. Hope is what she offered to millions of immigrants who came to these shores yearning for a better life. And hope is what she still symbolizes today.

Hope. As a new year comes to all of us, what better companion could we have? Hope is a dynamic force, a concept full of power. It can bring the weak back to strength. It can bring the sick back to health. It can even turn failure into success. No wonder Saint Paul included it as one of three great principles of Christianity: faith, hope, and love.

What's the condition of hope in your life at this very moment? Does it get up with you every morning? Does it carry you confidently through the day? Is it still there, soothing and sustaining you, as you fall asleep? That's what God intended when he created this shining quality and poured it into us at birth. If cares and worries and fears and discouragement have gained ascendancy in your mind, then you need to open the windows of your soul and let a strong, fresh current of hope come surging through.

Ah, you may say, it's all very well to talk like that, but I have very real health problems and money problems and problems with my children or my marriage. Just wishing won't make them go away, will it?

I'm not talking about wishing. Wishing is weak. It's even faintly negative, because when you say "I wish," it usually means you don't believe the wish will come true. But when you hope—really hope—then a magic ingredient comes into play. That ingredient is expectancy. Expectancy says, "This desired outcome can happen. I think it's going to happen. Right now it may be just a dream, but it's a realizable dream." When you start hoping instead of just wishing, then expectation is stirring in you.

We've all heard of people who have suffered near fatal accidents whose will to live, whose hope of recovery was so strong that they did, in fact, recover. Any doctor will tell you that a seriously ill patient who hopes strongly for recovery has a far better chance of survival than one who waits passively or simply gives up. The records of prisoners of war, even those in concentration camps, clearly show that the captives who survive best are the ones who never give up. They never stop hoping, and the power of hope brings them through.

Saint Paul sums it up in just six words: "For we are saved by hope...." (Romans 8:24) If you can reach the point—and you CAN reach It—where hope and expectation blend into faith and conviction, nothing can defeat you.

I have lived a long time now, and have known and observed many people through the years. And I maintain that the nearer a person comes to the Savior, the more hope he or she has. You just cannot live with Jesus Christ and be defeated. You cannot live with Him and say, "Tomorrow is not going to be any good." Because He is the Lord of tomorrows.

So, as you move into the New Year, HOPE that difficulties will pass. HOPE that storms will cease. HOPE that pain will end. HOPE that weakness will be overcome.

Remember, you do not go into the New Year on your own, but with the loving God who has walked with you ever since you were a young child. Light the flame of hope and watch the shadows vanish.

## Valley InterFaith Christmas Giving Tree

Thank you for making the Valley Interfaith Christmas Giving Tree a huge success! A total of 70 beautifully wrapped toys, clothes and Target gift cards were delivered on Tuesday, December 11th for Valley InterFaith's Christmas party later that week.

It truly takes a large support base to make this event special. Several CCG families took multiple tags. Many youngsters had a Merrier Christmas with your help. It was wonderful, tangible display of your generosity! Thank you for all of your support this year!

Appreciatively, The Duneheew Family

## Pastoral Care

Have you been in the hospital and not heard from the church? Even when you tell the hospital that you are Episcopalian, they do not notify the church. The hospital may notify the Hospital Chaplain, but it can't notify the church because of privacy laws. So, if you know you are having surgery or become ill and hospitalized and would like Father David, Father Nick or someone from Pastoral Care to visit please call the church office and let us know! If you or a family member inform us, we will support you in whatever way we can, including arranging for meals after your stay, should you or your family need them!! We can't support you if we don't know you are there!!

*May their soul rest in peace.*

**NOTE:** Please call the church office at 513-771-1544 or by email at [Karen.Corbett@christchurchglendale.org](mailto:Karen.Corbett@christchurchglendale.org), if you notice that you or one of your family members has been inadvertently overlooked on the birthday calendar. We do not intend to overlook anyone but do not realize it unless you inform us.

## **Annual Parish Meeting –February 3, 2019**

**Holy Eucharist celebrated at 10:00 AM in the Chapel of the Holy Spirit.**

**Annual Meeting begins afterwards in the Church.**

**Lunch is provided. Nursery and child care available.**

Your help is needed with set-up and clean up for the Annual Parish Meeting. It has been set for Sunday, February 3. This is the opportunity to review the life of the parish in the past year, to look to the future, and for those eligible, to vote, to be involved in the elections of parish leaders. It is also a time for fellowship, fun, and food! Newcomers to the parish are welcome and encouraged to attend.

### **NOMINATIONS FOR ELECTION:**

**Senior Warden** (second one-year term): Art Pizzano

**Junior Warden** (second one-year term): George Bergen

(It is our pattern for individuals to serve two years as Junior Warden, followed by two years as Senior Warden.)

### **VESTRY MEMBERS:** (three to be elected for three-year terms, February, 2018 – January, 2021)

Running for Vestry:

Ellen Buell

Jim Edrington

Frank Foster

Bob Hamilton

Adelaide Leitzel

Will Sawyer

Jerry Strangarity

### **YOUTH VESTRY MEMBER** (to be elected for a one-year term):

Youth Representative:

Luke Tuttle

Jack Wiggington

### **ALTERNATE DELEGATES TO DIOCESAN CONVENTION:**

Convention Delegates:

Nancy Boerup

Penny Young

Our Code of Regulations states those “eligible to vote at parish meetings shall be any parish member who will be 16 years of age or older on January 1 of the year when they will first vote, who, during the previous year, shall have given reasonable support to the parish by attendance at public worship and communion services; by expenditures of time and effort on behalf of parish affairs and/or by monetary contributions ...”

## CANDIDATE BIOGRAPHIES

### SENIOR WARDEN CANDIDATE – ARTHUR E. PIZZANO

Art's professional background is comprised of over 4 decades of service to communities of people. His career, working in a variety of local government settings, included appointment as Fairfield City Manager, where he led that city for 17 years; retiring this past May. Art and his family became members of Christ Church Glendale shortly upon their arrival to the Cincinnati area in 1998. Sandy and Art were married at St. Paul's Episcopal Church in Englewood, New Jersey in June of 1972. They chose to have an interdenominational wedding service, which was officiated jointly by a Catholic Jesuit Priest and an Episcopal Priest.

Art has served 2 terms on the CCG Vestry, notably during much of the period when our church was beginning to envision its future growth and development needs and opportunities. He subsequently chaired the Building Our Vision Contractor Selection Committee and was on the BOV Fundraising Consultant Selection and Lead Gifts Committees. Art also was co-chair of CCG's Rector Search Committee; a critical assignment as we move together into this truly transformational period in our congregation's spiritual and programmatic development. During this past year he has served as Senior Warden.

### JUNIOR WARDEN CANDIDATE – GEORGE BERGEN

George Bergen is a native of New York, NY who grew up attending Guardian Angel Church—right across the street from the General Theological Seminary (Fr. David's alma mater). He has been a member of Christ Church Glendale since 2007 and currently serves as Junior Warden. George also serves as a Lay Eucharistic Minister and performs with the CCG English Hand Bell choir. An Air Force veteran, George is also a retired federal employee--with 29 years experience as a fire protection specialist with the Department of Defense and as a regional fire chief with the National Park Service. George continues to work part-time in retirement at Hodapp Funeral Homes...a job that he considers as a form of ministry. He earned a Master of Public Administration degree from the University of Dayton and holds a bachelor's degree in Political Science from Northern Kentucky University. George and his wife Toni (a Stephen Minister/Leader) have been married since 1981 and are the proud parents of two children: Brendan (31); and Briana (26).

### RUNNING FOR VESTRY:

#### ELLEN BUELL

Hello! I am a life-long member of CCG (with the exception of a few years in Dayton). In my youth I was an acolyte, and a member of the youth group. I grew up and was married in the church in January of 1991. As an adult in the church I have served 1 term on vestry and have been active in the education programs by being a member of the Education Commission and by serving as a youth group leader. One of my favorite experiences is leading the Confirmation class. I am also a Lay Eucharist Minister serving mostly during the 9 am service.

In my personal life, I have one son who is now grown and married. I am very fortunate to say that I love my daughter-in-law, and we get along very well. They are both engineers for GE aviation, and I am blessed because they live less than a mile from me.

I am a special education teacher in the Cincinnati Public School system. I teach students from 5-10 years of age with multiple disabilities. I enjoy the students in my classroom and the different challenges each day brings.

I feel this time in my life would be a good time for me to again become a member of Vestry.

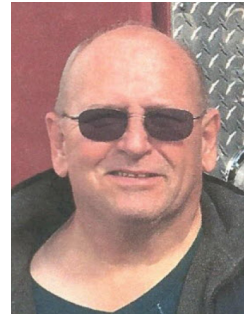

## **JAMES EDRINGTON**

I have been a member of Christ Church Glendale since 2002. I presently serve on the Buildings and Grounds Commission. Along with my trusty guard dog, Melly, we check the church nightly to insure that the church is secured, lights are off, 18 doors are checked and a host of other things are operational.

As a brief biography, I served in the U.S. Army as a paratrooper. After my time in the service I returned to my job at Ralston Purina that was renamed General Mills. Among my responsibilities for General Mills included overseeing the operations of the warehouse, providing safety training, serving as union steward and then as union president. After 47 years I had a medical emergency and had to retire. During this time I had the privilege to serve on the Sharonville Fire Department as Chief of EMS and the Forest Park Fire Department for 43 years. This year I celebrated 30 years with the State of Ohio as State Inspector for private ambulance and wheelchairs and aircraft and continued doing this after my stroke. Linda and I have been married for 23 years with a blended family of 7 children and 19 grandchildren and 2 great grandchildren.

It was a privilege to serve on the Vestry during the process of the search for a new rector. If elected, I feel I can be an asset to the church through my life experiences. I feel I have an insight as to the Vestry functions and the needs of our church. I believe God has greatly blessed our family's lives here at Christ Church Glendale and it would be a pleasure to serve as one of your Vestry members.

Thank you for your time and considering me for the Vestry.

## **FRANK FOSTER**

I have been a member of Christ Church Glendale since 1990, and an Episcopalian since 1981, having been raised in the Presbyterian Church. While at CCG, I have been a Lay Lector, a member of the Adult Choir, and, at various times, Vestry, the Communications Commission, and the Mens Group. I have been the CCG Webmaster and a frequent contributor to the Maundy Thursday dinner and other community meals. I also served as Treasurer, Vestry Member, and Search Committee member at my previous church, Faith Episcopal Church in Merrimack, NH. My two children grew up here at CCG, and are now both married and starting families of their own. I consider the church family as my second family, and have developed many close friends through CCG. Much of my career has been spent in Organizational Development and Talent Management, and I believe this experience is valuable to CCG as we continue to grow and evolve as a community. I look forward to the opportunity to serve CCG as a member of the Vestry.

Respectfully submitted, Frank Foster

## **BOB HAMILTON**

My wife Marty and I met on a blind date in 1968 when I was a wet behind the ears Marine Corps 2nd Lieutenant in flight school. We were married at Christ Church in 1975 (took her a while to say yes) while I was in dental school and we have two daughters and three grandchildren. I retired from the Navy as an oral surgeon in 1992 and opened a private practice on the west side of Cincinnati. We returned to CCG and rapidly became involved with Outreach. Marty and I organized the CCG Tuesday night IHN dinners at Grace Church for 10 years. I have been elected to two terms on Vestry and served as Junior and Senior

Warden . I am a member of the Handbell Choir and a regular usher and reader at 9 o'clock.

I am most proud of serving as co-chairman of the search committee and working with an amazing group of people. The results of the Parish Survey during the search process exposed me to priorities of the Parish and as a member of the Vestry I will work with these as my priorities. I would appreciate your support.

### **ADELAIDE LEITZEL**

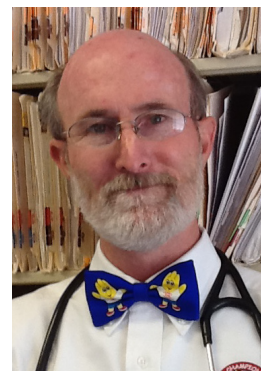

Adelaide (Kern) Leitzel grew up at Christ Church Glendale along with her brother and two sisters. She has an undergraduate degree in History and Biology from Davidson College and a Ph.D. in molecular genetics from the University of North Carolina. She is a registered patent agent with the U.S. Patent and Trademark Office and is employed by the law firm Taft, Stettinius & Hollister. While in graduate school, Adelaide attended St. Bartholemew's Episcopal Church in Pittsboro, NC. After returning to Ohio fourteen years ago with her husband Lance, Adelaide and her family began attending Christ Church Glendale. Adelaide and her family usually attend the eleven o'clock service. Her children, Loring, Mitchell and Grace, serve as acolytes.

### **WILL SAWYER**

I have been a long term Glendale resident. I am married with 4 children, Cooper, Farley, Eliza and Adeline, who are living in DC, Paris, NYC and Costa Rica respectively. I was baptized and confirmed at CCG and have returned in the past few years.

As a Family Medicine Doc I have seen so much more anxiety and depression in the past few years than in my 32 years of practice. I try to help people maintain both their physical and mental health, but it has required greater effort to combat the despair that is brewing. I believe it will take a greater collaborative effort and believe the CCG congregation is in a great position to help others.

A statement that ruminates in my brain at times is "What would Jesus Do" in these times.

So, I would be honored to serve on the vestry if that is the will of the congregation.

Thank you for your consideration.

## **JERRY STRANGARITY**

I first came to Christ Church Glendale in 1977. I was raised Catholic and my wife and I were looking for a church at that time after moving to Cincinnati from Pennsylvania. We found CCG and I have called it home ever since. I am 71 years old and retired from a career of designing machinery, mainly for Procter and Gamble (Pampers and Charmin). My wife, Sydney, and I have three children, 10 grandkids, and 5 great-grandkids and live in Westwood on the west side of Cincinnati. My hobbies and interests include amateur astronomy, model railroading, bicycling (you'll find me on the Loveland bike trail every week during the warmer months) and reading (mostly history). I am not 'really retired' as I am a professional custom model builder and have built models for people around the country.

I have always felt like part of a community at CCG and found comfort, advice and help from this community through ups and downs over the years. As a result, it comes easy to give back in any small way. Some examples include being a member of a House Church many years ago at CCG and helping out with a Habitat for Humanity project with other church members building a house in Glendale. I have tried to utilize my craftsman skills to contribute to this community as well. The Advent wreath table in the main church was a design/build effort on the part of my wife and myself. I built the roll-around storage units for the Sunday school classrooms and the light box for the stained glass window in the hallway leading into the main church. More recently I have been involved with IHN as an Evening Host for many years. I have been a member of the Buildings and Grounds commission for many years where my primary responsibility has been the development and maintenance of a maintenance standards manual for CCG. It includes a comprehensive checklist of all those maintenance and upkeep items which should be maintained on a regular basis in order to keep our campus buildings in order. Karen Corbett has a copy of this manual that can be viewed to see what it takes to keep these buildings in good shape. I see being part of the Vestry as a natural progression of my journey here at CCG where I, hopefully, can lend my voice to the support of this community's mission for all of us.

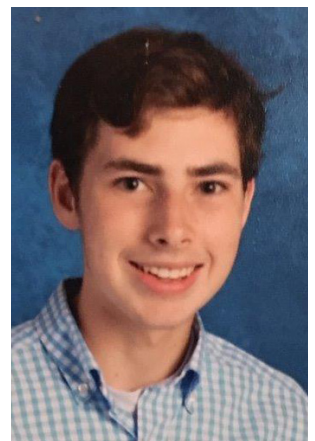

## **YOUTH VESTRY MEMBER**

### **LUKE TUTTLE**

I have been a lifelong member of Christ Church Glendale, having been baptized on December 23, 2001 by Reverend Roger Foote and confirmed on February 12, 2017 with Mr. Larry Haas serving as my mentor. I was a member of Schola Cantorum for six years and have been an acolyte for five years. Carol LaTorre is my grandmother.

I am currently a junior at Wyoming High School. Through my high school years, I have played on the soccer team for three years, been inducted into the National Honor Society, the National French Honor Society, a peer tutor for three years at Wyoming Middle School, was a summer reading buddy through Hamilton County Public Library and I am a member of Boy Scout Troop 482 based at Wyoming Friendship Methodist Church having served in two different leadership roles there. My goal is to attain the rank of Eagle Scout in November 2019.

I appreciate the fact that I was nominated to be the Youth Vestry member for Christ Church Glendale and would look forward to serving in another capacity here at church.

## **JACK WIGGINGTON**

Hello, my name is Jack Wigginton, I've been a parishioner for 16 years, and I am running this year to be the youth vestry member. Christ Church Glendale has always been a major part of my life, from helping develop my spiritual beliefs, to building and developing relationships with fellow parishioners. Through my experiences, I've learned how to be a good Christian, and I've been able to establish a deeper relationship with God in my life. I've been involved at CCG with the youth as long as I can remember. Over the past six years, I've been an acolyte at the 11:00 service, and as of this year I have become the Lead Acolyte. Because of this, I can usually be found around 10:45 in the Acolyte dressing room making sure everything is running smoothly. Outside of Church life, I am a Junior at St. Xavier High School, where I take rigorous spiritual and academic courses. I am a tutor there, and I help Freshmen with Biology and Algebra. I play on the rugby team, a rather rough team-oriented sport. I also do community service about once a week with St. X at a smaller grade school called Pleasant Hill Academy, where I go and talk with students about their experiences and help them with homework. In my free time, I'm usually hanging out with friends, playing the piano, or listening to my music through my earbuds. All of these things I do came from a desire to do good that places like Christ Church taught me and developed in me. I would appreciate the opportunity to serve as your youth vestry member for 2019, and would appreciate your support.

## **DELEGATES TO DIOCESAN CONVENTION ALTERNATE: NANCY BOERUP**

For the past twelve years, I've been involved in leadership positions at Christ Church Glendale, including Vestry, Commission chairmanships, and as Junior and Senior Warden. As a warden, I was automatically a delegate to Diocesan Conventions four times and experienced them in many settings and with many agendas. I am pleased to represent this wonderful congregation which I love so much.

## **PENNY YOUNG**

It was my privilege to serve as a recent Warden of Christ Church Glendale (Junior 2014-16 and Senior 2016-18), an exciting time for Christ Church Glendale during which I attended Diocesan Conventions. (I was also a Diocesan Delegate many years ago in the Pennsylvania Diocese.) I've also been involved here as a member of the Vestry (Class of 2010-13), member of the Adult Choir and the Handbell Choir, a Stephen Leader and Stephen Minister, leader of the Transition Team during our BOV project (2011-14), in our Interfaith Hospitality Network (IHN) ministry, and in the diocesan Latino Ministry. I'm also a Lay Eucharistic Minister and Visitor and a member of the Communications, Outreach and Pastoral Care Commissions. Because of those various involvements, I hope to represent the congregation suitably at Diocesan Conventions.
