## **Narragansett School System**

**Dental Screening Program 2017-18 School Year**

To: Parents of Grade Pre K-4 Students;

To be in compliance with Rhode Island School Health Regulations, our school dentist, Dr. Donna Haggerty, will be coming to Narragansett Elementary School. She will be here March 20th to perform a non-invasive dental screening on all students that do not have documentation of having a dental examination this year. If your child regularly sees a dentist and you do not wish your child to be screened, please complete the form below and return it to your child's teacher by Friday.

**Please disregard this notice if have previously sent in record from your child's dental/orthodontic visit.**

Thank you,  
Lisa Iafrate Ruscito, RN, CSNT
