

Dear Families,

Did you know that approximately 8-12 million animals enter animal shelters nationwide every year?!

Mrs. Ibsen's fourth grade class is raising money again this year for the South Kingstown Animal Shelter to help some of these defenseless animals. Over past five years, our annual fundraiser has raised over \$8,000 dollars for this worthy cause. This money goes towards many important areas of need for the shelter such as, spaying and neutering, medications for sick animals, and providing the daily care necessary while these animals are waiting to find forever homes. Our goal this year is to raise at least another \$500, but we can't do it without your help. Please consider sending a donation to school with your child to help make this fundraiser a success for another year. Donations will be collected during each lunch for the next few weeks by means of a collection jar placed on the stage. If you prefer to donate by check, please make them payable to the "South Kingstown Animal Shelter". Thank you for your support!
