Does everyone make the team?

Every effort is made to place all interested players on a team, however, there are roster size guidelines which may affect some placements. Also, due to the competitive league that NYBA plays in, some potential players may be referred to the town's Bradford-Trowt league in order to gain more experience.

Please remember, this is a competitive basketball league. Playing time is not guaranteed in tournament play. Developmental league games, for the age groups who participate in such, are based on equal playing time.

What is the cost?

Fees: \$175 for those players who do not need a uniform. \$225 for those that need a uniform.

Is there a 3rd Grade Boys team?

NYBA would like to organize a 3rd grade boys team if there is enough interest. This team could play in the Developmental League which begins after Jan. 1st. Also, there is a spring league in North Kingstown on Sundays. The cost for this team would be significantly less.

Is there a 7th/8th Grade Girls team?

NYBA would like to run a 7th/8th girls team if there is enough interest. Game times can be worked around the middle school schedule so there are no conflicts.
