

In August of 2017, The Narragansett Educational Foundation (NEF) hosted over 500 RI educators for a two-day conference featuring some of most innovative ideas in education. This ambitious undertaking was the first ever cross-discipline K-12 conference in RI, offered over 120 sessions, and welcomed education experts from across the nation.

We could not have done this without the generosity of the individuals who believe that high-performing public schools are essential to the social and economic fabric of the community.

Individuals like you.

NEF was formed to enhance core curriculum and promote programs that enhance, enrich and maintain excellence in the Narragansett Public Schools. All NEF revenue is dedicated to inspiring and encouraging our students to achieve academic excellence and positively impact our students' lives.

To meet these goals continued funding will be required to support and supplement the path to excellence that the Narragansett Schools have long endeavored to accomplish.

Since our launch in April of 2016, we have:

- Hosted the first ever statewide cross discipline K-12 teachers' conference. (***RI TeacherFest***)
- Awarded our first academic scholarship to a member of the graduating 2017 class at NHS (***The Martin Family Scholarship*** \$5,000)
- Issued grants to teachers to spark innovation in the classroom. (***Spark Grants*** over \$2,000)
- Created, and are currently chairing, a coalition of RI nonprofit education foundations to foster communication and collaboration across the state.

As we continue on our journey to support public education in Narragansett we are calling on residents and friends to join us by making a tax-deductible contribution to our organization. Your generosity will allow us to continue our focus within three areas: student scholarships; teacher grants; and strategic grants that align with the strategic plan and expand the diversity of programs offered within Narragansett.

We can't do this without you.

Please see our membership levels on the enclosed envelope. We will include you on our mailing list and keep you abreast of upcoming events and successes. In addition, we have provided a pathway for you if you wish to become an active member of the Narragansett Educational Foundation.

Sincerely yours,

*Phil Capaldi*
