

NES PTO NEW POSITIONS AVAILABLE

Dear Parents and Guardians,

As we come to a close of the NES 2017-2018 school year, we would like to announce that the following positions are open within the NES PTO. We are looking for some additional parent volunteers that would like to dedicate some time to join the organization that helps your children, their school and the staff with financial support and fun filled events throughout the school year.

We would love to add some new helping hands to the following positions:

1. **Book Fair:** We are in need of 1-2 people to run our popular spring Scholastic Book Fair. This is a 3-day event for all grades. Chairpersons will be the liaison between NES and Scholastic, will organize parent volunteers and provide oversight from setup through breakdown of the fair.
2. **Bingo:** This family event is held every January for our entire school community. We are looking for a Chairperson to take over this fun evening for the coming school year. The new Chair will be responsible for organizing volunteers to help at the event, creating prize bags for bingo winners and organizing the setup and breakdown of the event. This is a quick and easy night that our families enjoy and requires a minimal time commitment from our volunteers.
3. **Pizza Pig Out:** This event is a NES student favorite. Held every March for all NES families this night includes a pizza dinner, games, raffles, tattoos, photobooth, etc. Chairpersons are responsible for organizing adult and student volunteers to help with scheduling

event entertainment, pizza donations, student registrations, running the event and our popular raffle table. This year we hope to find one or two individuals that are interested in taking this committee over. This will be a shadowing position for the 2018-2019 year that will allow you to see how its run before you take it on for the 2019-2020 school year.

- 4. Enrichment:** This is a 6-week afterschool program run every fall and spring for students in K-4th grade at NES. Students attend a class of their choosing for one hour each week. Chairpersons are responsible for identifying and scheduling 4-8 class offerings each season, creating program flyers, tracking student registrations and organizing volunteers to help with student sign in and sign out each week. This is a wonderful program that allows many of our students to expand their interests and learn a new skill in a fun-filled environment.

If you are interested in any of the above positions, please contact the current committee member below with any questions. We welcome you, your questions and your busy helping hands. When sending your email please cc: our new PTO Co-Presidents, Grace Sahagian gnsahagian@cox.net and Melissa Boze mboze55@gmail.com.

Thank you! Have a great end of year and a fabulous summer!
