

# Full day Mariners Integrated preschool

The Narragansett School System is now accepting applications for FULL-DAY preschool in the 2018/2019 school year. Options will include 5 full-days a week, as well as a part-time and half-day program that supports the whole child and the diverse community we serve. We work closely with parents and align with Rhode Island Early Learning and Development Standards to help prepare students for their futures. Through play and exploration of their environment, children will become self-directed leaders.

Our program maintains a strong focus on:

- Inclusive, rigorous learning for all students
- Creative and critical thinking
- Providing a safe, healthy and nurturing environment
- Celebrating diversity
- Teaching students to be safe, kind, respectful and self-regulated
- Healthy habits, fitness skills and independence in self-help skills
- Effective communication
