

# Odyssey of the Mind®

**Hello 2nd and 3rd grade families! We're looking for parent volunteers who might be interested in coaching an Odyssey of the Mind team for your grade. Currently, there is one team of fourth grade students coached Kayla Hetherington.**

**Odyssey of the Mind is a creative problem solving competition. Our team meets once a week from Oct/Nov until their competition time in March.**

**If you are interested in starting your own team, please check out the Odyssey of the Mind website for more info and send an email to: [kaylalarkin@hotmail.com](mailto:kaylalarkin@hotmail.com) by Oct 12th. An informational meeting can be held after emails are received.**
