

3rd/ 4th grade Boys Developmental Team

- NYBA is looking to put together a 3rd/4th grade boys developmental team. This is a competitive team but in a low-key environment.
- The team will not play in tournaments but instead will play in the South County Developmental League. The D-league plays structured games in which team members will play at least half the game (subs every 4 minutes).
- Games will be mainly on Sundays (but could also be on Fridays or Saturdays.)
- Games will usually be in East Greenwich or North Kingstown.
- The team will play about 10-12 games for the season and practice on Friday nights at NES.
- Cost: \$100 which includes uniform (\$50 value).
- NYBA is also looking for someone to coach the team.
- This league will not conflict with Bradford-Trowt.
- Great way to be introduced to travel basketball.
