

# Save For America<sup>SM</sup>

The School Savings Program

**\*It's never too late to sign-up!**

## Kids & Parents Love Our Program

- Students love going to Bank Days at school and making deposits into their account even if it is just a penny!
- Parents love the program because it helps to create a savings habit at a young age.
- Schools love the program because it is approved by the Department of Education and proves that saving money can be educational and fun!

## How Does It Work?

- Parent volunteers run Bank Days and help students with their deposits using the Save for America<sup>SM</sup> online banking program. *(Please note: withdrawals can only be made at WCCU branches.)*
- Students receive a receipt at bank day (and a monthly mailed statement), as well as a reward for making a deposit.
- When Bank Day is complete, a parent volunteer takes the funds to their local WCCU branch to complete the process.

## \*How Do I Sign My Child Up?
