

How to Upload Assignments to Google Classroom (Photo, Videos & Private Comments)

To upload a **photo/video** to an assignment:

1. Take the photo/video on a separate device (laptop, cell phone, iPad, Tablet, etc.)
2. Enter the Assignment/Classwork section on google classroom
3. After you have clicked into the specific assignment, look to the right side of the page, where it says "your work," click add or create. Then click "File" to attach your photo or video.
4. Click the Submit Button

To upload a **private comment** to an assignment:

1. Enter the Assignment/Classwork section on google
2. Click into the specific assignment
3. On the right side of the page, look for the box that says "Private Comments." Enter your response/ answer in this box so that it will only be seen by the teacher
4. Click the arrow button to submit
