Event Sponsorship

MRO Australasia is a launch event for 2020 and will be the premier forum for information gathering, knowledge sharing and networking for those involved in the MRO sector in the region. Comprised of a 2 day conference and showcase exhibition area, this event will be the leading destination for suppliers to meet key decision makers and for buyers to learn about, test and purchase new MRO solutions and services. This event will cover maintenance, repair and overhaul for all fixed wing aircraft, business, general and regional aviation and rotorcraft.

Attendees will get hands-on with the latest technologies, tools and resources through the showcase exhibition and translate the practical knowledge of the conference into real life solutions and savings for their organisations.

By taking a sponsorship package or branding opportunity you are perfectly positioned to showcase your products and services to over 300 senior level attendees in an intimate setting. You'll be able to make key connections across the 2 days in Brisbane at the same time as enhancing your brand awareness.
