

## **Beef Breeding Project Enrollment and ID Form**

Youth **MUST be enrolled** in the beef breeding project in 4honline by **March 1**.

Beef breeding project members must either submit their breeding beef ID paperwork to the Extension office before Beef Tag-In (March 2), or upload information into your 4honline, or submit paperwork the day of Beef Tag-In (March 2).

To fill out your Breeding Beef ID online, go to: [co.4honline.com](http://co.4honline.com), sign in, go to your name, click "edit", then "animals/livestock", choose "Beef", "Breeding Beef", then click add animal. Fill out information and save.

- Upload the "2019 Douglas County 4-H/FFA Breeding Beef Registration Information Form (Non-Market Cattle)" – this form should be uploaded in the "County Use Form-Breeding Beef" section.
- Upload a color photo showing any distinguishing characteristics and ear tag if applicable. (One photo required, but two are available).
- Upload your registration papers (from a breed association) or your brand inspection papers. Note: These MUST be in the 4-H members name only! A breed registration form is acceptable in the member's name and you do not have to get a separate brand paper. If breed forms are not in your hands, brand papers are required.

Please read the note on the bottom of the form about animals not born yet.

For the Breeding Beef ID form go to: <https://douglas.extension.colostate.edu/wp-content/uploads/sites/50/2019/02/Breeding-Beef-Id-Form-2019.pdf>

**Animal Care and Housing Forms are due to the Extension Office by March 2 if your animal is not housed at your home. Link to form -** <https://douglas.extension.colostate.edu/wp-content/uploads/sites/50/2018/03/Animal-Care-and-Housing.pdf>
