

# "WHOLE - BROKEN - REBUILDING"

## 2022 Suicide Awareness Travelling Art Project

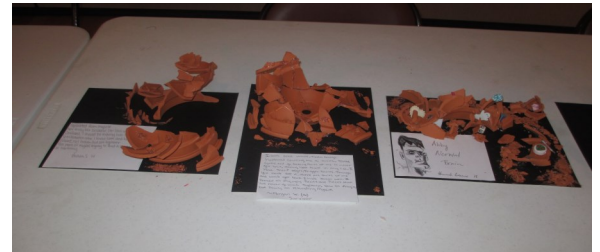

For the last 8 years **Your Heart On Art** and **Tennessee Suicide Prevention Network (TSPN)** our Presenting Sponsor has created a travelling art project that helps survivors of suicide loss and lived experience, families, friends and those touched by this tragic event tell their stories through the language of art. It is our way of helping to stop the stigma associated with suicide and to educate others on suicide awareness and to be a voice for those who have lost theirs.

**BE A SUPPORTER .....BE A VOICE..... BE SEEN ..... HELP HEAL THE WOUND HEARTS OF OUR COMMUNITIES**

Now starting our 9th year we are looking for workshop sponsors that would like to be a part of this year's project. The cost to sponsor a workshop is \$400.00. Currently there are 6 workshops scheduled in June and July at the studio . Workshops are held at the YHOA in Kingston Springs, TN. If you are outside of the Mid Cumberland region, and would like to host a workshop for your region, YHOA will bring the program to you at your facility. Please contact YHOA for more information on how we can do this.

All sponsorships will have their name/logo presented on all media

- ⇒ Workshop program information flyers
- ⇒ YHOA website
- ⇒ All social media from TSPN and YHOA
- ⇒ Signage with Travelling Art Project

*This years theme is based on ones "journey"*

*Once our life was "whole" and then  
we lost someone and we became "broken"  
But we are "rebuilding".*

*Using a terracotta pot participants will talk about how the pot looks and feels. We will then shatter the pot just like life after a traumatic loss. But all those pieces can be used to rebuild - never to be the same as it once was but something beautiful and new.*

**Cut off date for sponsorship participation is March 31, 2022. Your organization/company will be invoiced on April 1, 2022. Just email us saying you would like to be a sponsor and add your company logo. THANK YOU for your support.**
