

DELIVERING HEALTHCARE TRAINING SOLUTIONS

U.S. Army Medical Training and Support Services

USAMRMC at Fort Detrick, Maryland

Since contract start in Sept 2014, 8-koi has completed train-the-trainer (T3) certification for over 20 trainers and has trained over 875 personnel including Commanding Generals and White House personnel for the U.S. Army Medical Research and Materiel Command.

Scope:

We provide all personnel, equipment, supplies, facilities, transportation, tools, materials, supervision, and all other items necessary to deliver a range of high-impact courses to include:

- Combat Life Saver (CLS)
- Cardio-pulmonary Resuscitation (CPR) for HealthCare Providers (HCPs)
- Tactical Combat Casualty Care
- Basic and Advanced Cardiac Life Support (BLS and ACLS)
- Pediatric Advanced Life Support (PALS)
- Tactical Combat Casualty Care (TCCC)
- Pre-hospital Trauma Life Support (PHTLS)

Effectiveness and Evaluation:

8-koi uses the Kirkpatrick Training Effectiveness Model - an industry-recognized best practice as a methodology to continually measure and improve their training effectiveness. To date, 100% of 8-koi course attendees have successfully completed training.

Our transition and year-over-year performance have been recognized by USAMRMC as superior. USAMRMC views the medical training and support services to be highly complex and successfully performed by our team based on meeting work schedules, providing specified services, and meeting contract terms without failure as noted in performance documentation.

Solutions Delivered:

- Ft. Detrick had been without a trainer for over a year and our rapid implementation of timely training ensured that the medics would not lose their license currency.
- When an on-site training facility was not available, our team successfully coordinated utilizing the remote USUHS location as training facilities until the onsite facility was available.
- When illness impacted one of the CLS students, our team successfully rescheduled the student and completed training to achieve 100%.
