This is a true story. I know, because it happened to my cousin and her husband.

One day Evonne and Josh were out driving around town in their little Toyota, when all of a sudden ... CRASH! They were hit from behind by a driver in a very expensive-looking car. In the conversation that followed the accident, the driver of the fancy car asked Evonne and Josh not to report it to the insurance company. Instead, he said that he would pay for the repairs himself, make sure they had a rental car while it was happening, and, on top of all that, give them \$25,000 for their trouble!

Well, you know what their first reaction was: "This is too good to be true! What's this guy up to?" The driver told them that he wasn't up to anything shady, he just doesn't like hassling with insurance companies and he's willing to pay for the convenience of not having to do it. Evonne and Josh decided to go for it and they took the money and they agreed to let him fix the car. But, just to be sure, they looked him up on the internet. As it turned out, the man was extremely wealthy and did everything he said he would do. They got their car fixed. They got a free rental car. The only problem they had was figuring out to spend their \$25,000!

Sometimes things come along that seem too good to be true. We have to be skeptical in today's world because there are so many people out there who want to manipulate or take advantage of us. But good things aren't always a hoax. Like the deal that Jesus offers us: eternal life, forgiveness, never-ending love and what does it cost? Nothing. This is too good to be true! What's this guy up to?!

But, as it turns out, Jesus is God and God is very wealthy and powerful, too. God doesn't like to hassle with sin and is willing to pay to get rid of it. The price the Father paid was His Son on a cross. He paid his Son, we pay nothing.

Sounds too good to be true, but it IS true. And we celebrate that unbelievable deal every week ... on the radio, on the internet, and in person. Join us! Don't let other people have all the luck.

Peace,
Pastor Russ

Our Generosity in August

Your offerings to St. John were shared beyond our walls in July in the Following ways:

8% of our regular August offering (\$2186.02) went to support the mission of the larger church.

2% of our total offering goes to support our community needs. In August (\$701.44) was given to the Southeastern Synod of the ELCA to help victims of the Derecho disaster in that part of the state.

The Finance Board designates the 8% of the total Thank Offering quarterly. A total of \$2093.31 from the second quarter was also given to the Southeastern Synod to go towards disaster relief.

In addition, donations of \$1425.00 were given by our members for recovery from the Derecho disaster.

Gifts for disaster relief are still being accepted.

Things to know...

Members and Friends of St. John Lutheran,

The Church Council has made the decision to begin offering a weekly in-person worship option in addition to our weekly online and radio services. **We will have one, in-person service on Sundays at 9 AM.**

Pastor Russ has put a video on the St. John YouTube channel to inform you of the In-Person Worship Safety Procedures. Go to the St. John website – www.stjohncharlescity.org, click on the Worship & Sermon tab, then choose YouTube.

The following instructions were taken from the in-person worship plan and are intended to help make the in-person worship experience meaningful and safe:

- There will be a limit of 50 people for each worship service to maintain social distancing.
- All worshippers will need to register by 4 PM on Thursday before the Sunday service by calling the church office. Only registered worshipers will be admitted.
- Entry and exit will be through the main doors which will open at 8:45 AM Sundays. Worshipers will need to check-in with a greeter as they enter the building.
- Face masks will be required for those five years and older. We will provide a face mask for anybody who needs one.
- All worshipers will be ushered to their seats to maintain physical distancing between family groups.
- Communion will be offered at every service so that it's available whenever worshipers are able to attend.
- We will not be singing or speaking in unison, any singing and responsive readings will be pre-recorded.
- Please read the full plan for additional information. **The full plan is available on the St. John website: www.stjohncharlescity.org.**
- The nursery will not be available during the service.

**Your offering can be mailed to St. John Lutheran, 200 S Main St, Charles City, IA 50616

“Drive Through Communion”

On October 4th between 10:00 a.m. & 12:00 p.m. we will have “Drive Through Communion. We also plan to offer this communion on the 1st Sunday of each month. We will ask that you enter the parking lot at the top. You will proceed down to the canopy where you will be handed a disposable communion cup with wafer. Next you will proceed to the pastor to partake of communion. Gluten free cups will be available.

Backpack Blessing: During the October 4th online service & drive through communion, Pastor Russ will bless the backpacks of students and teachers!

Coats for Kids

St. John will be holding Coats for Kids October 10th from 9:00 a.m. to 3:00 p.m. & October 11th from 12:00 p.m. to 3:00 p.m. Due to social distancing rules the event will be by appointment. To make an appointment call Lori Janssen at 641-330-2044 or Lisa Kreger (after 4:30 p.m.) at 641-330-0696.

Adults & children 5 years & older are required to wear a mask.

If you have new or gently used coats, boots, snow pants, hats, mittens, etc. to donate, bring them to the church. Outside the Narthex door there is a plastic tote to put your donations in.

A note from the Stewardship Board: We cannot thank you enough for the support of the Kans for Kids project started earlier this year.

For those of you not familiar with this project, a collection point for recyclable cans – yes, even your beer cans! – has been erected at the top of the parking lot next to the little storage unit. With your contributions, it is our intention to support our youth in any way, and we hope many different ways. This isn't meant to be used as a foundation for any budget item. This is a fund to add a little of the unexpected to our youth's participation, a fund to help relieve a sudden challenge in funding occasionally, a fund to help with the expenses of trips and excursions possibly, and a way of showing our youth that their church family care about them and support them.

The money from your generous donations of “kans” has been growing and we are hoping to be able to assist our youth in many ways to show we care about them and encourage them as they learn and grow in their knowledge of, and love for, our Savior. Our youth recently returned to St. John Christian Preschool or started a new year in our schools. This year is very different from what they are used to and we gave them a little support with “Welcome Back” messages and McDonald's Happy Meal coupons for the preschoolers, or Subways meal certificates for our Sunday School students from their St. John family. This is just the beginning. We will keep you updated – stay tuned!

CONFIRMATION CLASSES begin on **October 7, 2020**. Due to the majority of our confirmation students being split into groups while attending school, we have chosen to start the confirmation program year online and start meeting in person at the church at a later date. CONFIRMATION SUNDAY has been postponed temporarily. We will publicize that date when it is decided.

PARISH EDUCATION

ONLINE SUNDAY SCHOOL is in full swing. I am leading the lessons via a weekly video on our Facebook page and the students who registered are following along and doing the activities with their families at home.

The First and Fourth Grade St. John Sunday School students will be **receiving their Bibles** during the month of October. We will be blessing those that have received Bibles during the online and in-person worship service on Reformation Sunday, **October 25, 2020**.

Parish Ed News

Online Sunday School began September 20th.

We have 36 kids from 18 families enrolled!

Confirmation is scheduled to begin October 7th online via Zoom.

Confirmation Sunday is postponed & will be scheduled for a later date.

Fall greetings to you all from your friends at St. John Christian Preschool! We have already been in school for five weeks and we've gone from wearing shorts and tank tops to long sleeves and jackets! We have come from a few tears (from both child and parent 😊) to friends who are excited to come in and see what the preschool day will hold for them. It is amazing to see how confident and comfortable our friends have become with their preschool routine. We thank God for His constant presence in our preschool center.

Our beginning unit was called: All About Me! We learned that God created each of us in His image and that we are all special because of that! We also focused on learning the names of our teachers and friends. We practiced number recognition, completed some projects that helped develop our small motor muscles, and also practiced patterning. (Patterns are very important in helping us learn how to make predictions, which is a very useful skill!)

We also started our five-week Color Unit! During this unit, we decorate the preschool in the matching colors of the week and the classes all get to dress in those colors, as well. Our younger friends are assigned a color and get to bring something of that specific color to add to our Color Bulletin Board! It's fun to see all of the creative things we get! Stop down sometime to see our colorful board and "Consider God's Wonders!"

Each day is full of new challenges, new experiences, and new chances to share God's love with our little ones. Thanks for all of the support that you provide that enables us to provide a great educational experience within a loving, Christian environment. For many little ones, this is the only opportunity they have to hear of God's great love and see what it can do!

Blessed, Whittney Franke
