May you be inscribed in the book of life

Dear Friend,

As the High Holidays approach, we are reminded that this is a time for reflection, gratitude, repentance, and tzedakah—gifts to charity. We invite our community to participate in the High Holiday appeal with optimism, continuity, and generosity. Our community is an essential part of our shared legacy for ourselves, our children, and future generations.

The Kol Nidre Appeal constitutes a significant part of our annual revenue and is essential to our fundraising efforts, providing the resources needed to balance our budget. Annual dues, tuition, and programming fees do not cover all of our expenses. We rely on contributions from our members to support all that happens at North Shore Jewish Center every day, year-round. Your pledge allows us to continue offering the spiritual, educational, and social programming we all value. It ensures that North Shore Jewish Center can serve the Jewish community and secure our synagogue's future. Our vision for Jewish living, connection, and growth depends on your support.

As part of our collective responsibility, it is vital that every member contributes to the Kol Nidre Appeal to sustain our spiritual home at North Shore Jewish Center and preserve the strength and vibrancy of our community. Our unity and shared commitment are the foundation of our strength. We encourage you to give generously within your means, and if you are able to increase your donation from last year, we would be deeply grateful. We hope to achieve 100% participation this year. With your support, we are confident that we will reach this goal and keep North Shore Jewish Center strong and vital for the present and future.

May 5787 be a Healthy and Happy New Year for all.

Warmest Regards,
Brandie and Craig Osman
