

Dear Congregants,

Thank you for your interest in our **Spring 2026 Kiseh HaKavod Fundraiser** (Seat of Honor). This fundraiser is taking the place of what you have graciously given in the past to our Spring Gala. We understand that this has created a lot of excitement and there are many questions that you may have.

We want to explain that the Seats you dedicate have nothing to do with your High Holiday Seats. As you saw in the flyer we have different levels of donations, similar to when we have a Gala.

Each row in the sanctuary has a donor level assigned to it. Row AA is Diamond, Row A is Sapphire, Row B,C,D are Emerald, Row E is Ruby, Rows F,G,H are Opal and Rows I,J,K are Jade. **

Please understand that a seat you dedicate is not being purchased. This is about supporting the synagogue while honoring or remembering someone important to you. Seats will be assigned on a first come, first serve basis and they are going fast.

Your names will be displayed on the back of the seats in front of you.

Your options for wording are.

Mr. and Mrs. _____

Single Name _____

Family name – example: Roberts' family _____

In Memory of _____

In honor of _____

You may **donate** at a particular level and request a seat further back but not the reverse.

If you **donate** at the \$10,000 level you will also receive 2 High Holiday Seats in the sanctuary for life as long as you're a dues paying member.

We have a dedication celebration *tentatively* scheduled for August 2nd to show off the name plates and then enjoy a fun barbeque.

Thank you in advance and let's help to make this a huge success!
