

Dear, HANDS OF LOVE FOUNDATION,

Praise King Jesus, Hope your all doing well by the grace of God. I write this letter to show my gratitude towards the support rendered to me by the foundation especially the most recent regarding my dental treatment. The whole process of the treatment was done and my tooth was replaced. I thank you for the love as the theme of our 2025 Camp stated "Jesus loves ^{Me} you" Surely thanks for spreading unending and unconditional love towards us all. Thank you for choosing the children of Uganda you have been a blessing to us since the early stages. You have seen us young and now we have grown, you have showed us the right way to go that is knowing Jesus Christ. This is evidenced whenever we meet through praying, reading the word of God and others. Matthew 6:33 says Seek first the kingdom and His righteousness, and all things will be given to you as well. I believe as we have always put God first our future is bright and by God's grace we shall make you proud and your love, time, hardware will not be in vain. To be sincere nothing we can give back to pay the work you're doing in our lives but only to ask God to keep you safe, bless you and your families. I LOVE YOU ALL
