Communication Tools for Business-to-Business Promotion

As the voice for business in Ottawa, your Ottawa Board of Trade champions our city as the best place to live, work, and invest. Through your membership investment, you help us advocate for a collaborative and sustainable community which supports businesses as the launch, pivot or grow.

Help share this message to your clients and connections.

By helping your clients strengthen their business, you will see growth in yours. Work with us to expand our membership, creating more opportunities for businesses across our city.

Consider including the samples below in your outbound communications:

Direct Email or Newsletter

Have you considered a membership with the Ottawa Board of Trade? As a proud member, our company has seen the benefits to the Ottawa business community.

As the voice of business in Ottawa, the Board of Trade's mission is to create prosperity through advocacy, economic development, and leadership. In addition, they also work hard to help you promote your brand and build your business through a variety of marketing platforms and cost-saving benefits.
