Roadmap to Reopen

Roadmap to Reopen outlines three steps to easing public health measures, guided by the following principles:

- Step One** An initial focus on resuming outdoor activities with smaller crowds where the risk of transmission is lower, and permitting retail with restrictions.
- Step Two** Further expanding outdoor activities and resuming limited indoor services with small numbers of people where face coverings are worn.
- Step Three** Expanding access to indoor settings, with restrictions, including where there are larger numbers of people and where face coverings can't always be worn.
