Dear Members and Friends,

2026 Annual Stewardship Drive North Universalist Chapel Society

The North Chapel faces a budget challenge that makes your Stewardship Pledge very important.

Every pledge will matter.

To achieve our goal of \$160,000, we will need everyone to give generously.

We ask that you complete the pledge form below as soon as possible, so that we know what income we can count on to manage the church's finances in the coming year.

Please see the enclosed FAQs if you need more information about pledging and church finances. We also invite you to speak to any of us directly.

With gratitude for all you do for this loving community.
North Chapel Board of Trustees
