Dear Members and Friends,

The 2027 North Universalist Chapel Society Annual Stewardship Drive started November 1st.

Please consider giving generously.

We ask that you complete the pledge form below as soon as possible, so that we know what income we can count on to manage the church's finances in the coming year.

Please see the enclosed FAQs if you need more information about pledging. We invite you to speak to David Cook, Treasurer, or any member of the Board if you have further questions.

With gratitude for all you do for this loving community.
