Applications are open for the 2023 Day Annual Members Meeting hosted by YWCA Prince Albert at the Elkridge Resort, in Waskisiu, Saskatchewan, May 25-27.

The Annual Membership Meeting is the main forum in which the business of YWCA Canada gets done. AMM provides the opportunity for Member Associations to share and make decisions concerning the YWCA movement. It's also a venue for YWCA volunteers and staff from across the country to get together for learning, networking, and fun.

Board Chairs/Presidents, Executive Directors/CEOs of YWCA Canada Member Associations typically attend the Annual Membership Meeting. Other Board members, volunteers, staff, and special guests are also welcome. The Young Women's Leadership and Engagement Committee encourages Member Associations to include a young woman in their delegation.

Applications are due **April 16, 2023**, and should be completed online at the link below:

Information about the Fund:

The YWCA Young Women's Leadership and Engagement Committee (YWLEC) is a group of dedicated young women committed to the goal of 25% participation of young women at meetings and events, in leadership and decision-making, locally and globally. We believe that the voices of diverse young women are integral to the YWCA movement in Canada and around the world. The YW Leadership Miles Fund was established at the 2006 Annual Membership Meeting (AMM) to facilitate young women's leadership development in the YWCA in Canada. The purpose of the fund is to subsidize the travel and accommodation costs of young women who are 30 years old or under at YWCA events across Canada and internationally. Member Associations can access this fund by nominating young women within the movement. The committee fundraises each year to grow the YW Leadership Miles Fund with the intention of funding more young women to participate in various leadership development opportunities along with regional, national, and international YWCA events.
