

HS Small Group Zoom Calls!

We are so glad you “clicked the link!” This indicates to me that you are interested in having your 9-12th grade student interact with one of our Campus Life leaders over Zoom call conferencing during this COVID-19 season.

We have been praying for your family and do hope that everyone is physically healthy and doing well! I'm very aware that there's more than physical health that can be quite difficult during this time. If we can do anything for you, your kiddos or a neighbor in need PLEASE let us know. There's a link on the Campus Life website that you can use to tell me your needs, or you can always call, text, or send me an email!

We have been meeting once a month since the beginning of the school year and would like to offer your son this opportunity as well via zoom.

What Is a Small Group?

A time for your student to meet with a few of their peers in a safe, encouraging, and fun way with one of our Campus Life leaders (fully vetted, FBI background checked and trained).

Why do a Small Group?

This is a time for your kiddo to know others and be known even more by their peers and adult leaders. In this time they will hear of their value, worth, respect and love they have and possess.

What do we talk about in a Small Group?

The groups talk about their relationship with God through Jesus. They may read parts of the Bible together. They may choose to use a devotional guide or work through inspirational material.

When are these Small Groups?

This will be determined by the leader, me and you.

Who is my student's leader?

This will be determined as we go. But we'd like for you to have input about this as well.
