

## Decoupage Vases

### Supplies:

Tissue paper, magazine pages, or wrapping paper

Paint brush

Glue or mod podge

### Directions:

- \* Wash and dry outside of vase
- \* Cut or tear paper of choosing into shapes (circles, squares, strips, etc.)
- \* Paint a thin layer of glue to the outside of the vase.
- \* while glue is wet, place the paper shapes in the design of your choosing.
- \* Apply another coat of glue to entire vase and let dry.

Add embellishments such as ribbons, gems, faux flowers, etc. if desired.
