

Family Charades

Cut out each square and place in a bowl. Divide the family into teams. Choose which team goes first. One person from that team will pick a piece of paper out of the bowl. Set a timer. They will act out the word(s) on the paper while the rest of their team tries to guess the word. If they guess correctly before time runs out, they get a point. Each team takes a turn. The team with the most points in the end wins.
