

Rita Becchetti

Rita joined our club in 2011. Since then she has been a Home Host or Dinner Host for every incoming Journey, and she has also served as a Co-Coordinator and Day Coordinator for our incoming ambassadors. Rita has also planned and led numerous Fun Stuff activities for our club throughout the years, and she can always be counted on to lend an able helping hand when ever asked. She has enjoyed going on FF International Journeys to Mexico, Peru and Brazil.

Rita was an RN for more than 50 years - working in many different roles, but mostly staff education in hospitals, hospice and before retiring, as supervisor of school health for Pinellas County schools. Since retiring, she does volunteer work with kids in Foster care- she has been a volunteer Guardian ad Litem for 11 years, now serving also as a Mentor for new volunteers, and helps interview prospective new Guardians. She also serves on the Board of Suncoast Voices for Children, a charity that provides things for kids in the dependency system to help them feel more normal - such as after school activities like sports, karate, dance, etc., camps in the summer, tutoring to help them stay on track in school, or almost anything you can imagine.
