

Gena and John Cameron

Gena Cameron

Gena joined our club in 2017. Since then, she has been an Ambassador on two outbound Journeys and has actively participated in incoming Journeys by being a Home Host and Dinner Host. She has planned Fun Stuff activities for our club, attends all meetings and events, and can always be counted on to lend an able helping hand when ever asked....and always with a big smile. Gena has served our club as VP/Membership and is currently the Incoming President. She will assume the President position in September 2021.

Gena says she loves Friendship Force, and our club returns the sentiment!
