

*Francine in Brittany*

## Francine Silberman

Francine joined our club in 2012. Since that time, unless she's travelling, she has attended almost every club meeting and event. She's also actively participated in every incoming Journey, always serving as a Day Host as well as being a Home Host for our ambassadors from Ukraine, Estonia, Isle of Wight and Australia. Her passion for travel has led her to be an ambassador on outbound Journeys to Colombia, Brazil, Mexico and Canada. In addition to her membership in Friendship Force, Francine is a member of Offbeat Travelers, a travel club that meets monthly in Ellenton.
