

DATE: October 20, 2026

TO: CRA Chairman and Commissioners
Boca Raton Community Redevelopment Agency

FROM: Mark Sohaney, Executive Director *[Signature]*

SUBJECT: Resolution No. 2026-05-CRA - Conveyance of CRA-Owned Mizner Park Property and Associated Proprietary Interests to the City

RECOMMENDATION: I recommend approval of Resolution No. 2026-05-CRA authorizing the intragovernmental conveyance to the City of Boca Raton of the Agency's real property and associated proprietary interests within Mizner Park, pursuant to Section 163.400, Florida Statutes, and authorizing execution and delivery of the related Intragovernmental Conveyance Deed and implementing documents.

BACKGROUND: The Boca Raton Community Redevelopment Agency ("Agency") was established to carry out community redevelopment within the Downtown Boca Raton Community Redevelopment Area in accordance with the adopted and amended Downtown Plan. In furtherance of that Plan, the Agency acquired or otherwise came to hold various real property and associated proprietary interests within Mizner Park. Mizner Park was conceived and developed as a central redevelopment project intended to eliminate blight, catalyze investment, and serve as a long-term anchor for revitalization of the Redevelopment Area, and for more than three decades has served as a major economic, cultural, civic, and public destination.

The Agency's property interests within Mizner Park are varied and include fee, landlord, reversionary, easement, common-area, and other proprietary interests associated with commercial and office leases, cultural facilities, public and common areas, and undeveloped property. Certain portions are subject to long-term leases, including the Amended and Restated Retail Lease dated March 29, 1990, as amended, with a term running through April 30, 2088.

The Agency, however, has a finite statutory existence through September 30, 2043. As a result, many of the ownership, leasing, operation, management, maintenance, capital planning, and stewardship responsibilities associated with Mizner Park extend beyond the Agency's currently authorized lifespan. Addressing that transition now, rather than through separate transfers of individual parcels or interests over time, provides greater long-term certainty and avoids fragmented or piecemeal succession.

Proposed Ordinance No. 5790 would amend the Amended Downtown Plan to recognize this long-term issue and provide that, where appropriate to further the purposes of the Plan, CRA-owned real property and associated proprietary interests may be consolidated in the City through

intragovernmental conveyance. The proposed transfer implements that policy by consolidating the Agency's Mizner Park property interests in the City, which will remain the continuing general-purpose municipal government responsible for the area.

Resolution No. 2026-05-CRA authorizes the comprehensive conveyance of the Agency's Mizner Park property interests to the City, subject to all existing leases, declarations, agreements, easements, restrictions, covenants, and encumbrances affecting those interests. The conveyance is not intended to amend or otherwise alter the substantive rights or obligations of tenants, lessees, lenders, or other parties under those existing instruments. Rather, the City will succeed to the Agency's conveyed proprietary interests and, to the extent provided by applicable law and the governing instruments, the related rights and obligations arising from ownership of those interests, including applicable landlord interests.

The attached Intragovernmental Conveyance Deed will convey the Agency's real property together with its associated fee, reversionary, landlord, easement, common-area, and other proprietary interests arising from or appurtenant to the conveyed property. The Deed is also structured so that the City's succession to landlord interests that pass with ownership of the underlying estate does not depend upon execution of a separate assignment, while preserving the ability to use a confirmatory instrument if appropriate for a particular lease or ancillary interest.

Section 163.400, Florida Statutes, expressly authorizes a public body, in furtherance of community redevelopment and related activities, to convey its interests in property to a municipality, with or without consideration. The statute further permits such an intergovernmental conveyance without appraisal, public notice, advertisement, or public bidding. The proposed conveyance will therefore occur without monetary consideration and will not alter the boundaries of the Redevelopment Area.

FISCAL IMPACT: The transfer will shift to the City the revenues associated with the conveyed property interests. The retail ground leases currently generate approximately \$3 million annually in revenues for the Agency. The Agency also receives revenues associated with paid parking and other operations within the transferred property interests. Following the conveyance, revenues attributable to the transferred interests will be received by the City and deposited into the City's general fund, subject to applicable law and the terms of the governing agreements, and will be available for appropriation by the City Council through the City's adopted budget. The transfer is not expected to impair the Agency's ability to meet its outstanding obligations or continue implementation of the Redevelopment Plan.

STRATEGIC IMPACT: The adoption of this proposed resolution supports the Strategic Focus Areas of Growth Management, Fiscally Sound, Quality of Life, and Vibrant Economy.

RESOLUTION NO. 2026-05-CRA

A RESOLUTION OF THE BOCA RATON COMMUNITY REDEVELOPMENT AGENCY AUTHORIZING THE INTRAGOVERNMENTAL CONVEYANCE TO THE CITY OF BOCA RATON OF ALL REAL PROPERTY AND ASSOCIATED PROPRIETARY INTERESTS OWNED OR HELD BY THE AGENCY WITHIN MIZNER PARK, PURSUANT TO SECTION 163.400, FLORIDA STATUTES; AUTHORIZING EXECUTION AND DELIVERY OF AN INTRAGOVERNMENTAL CONVEYANCE DEED AND RELATED IMPLEMENTING DOCUMENTS; PROVIDING FOR THE CONTINUATION OF EXISTING LEASES, AGREEMENTS, RESTRICTIONS, COVENANTS, AND ENCUMBRANCES; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEALER; PROVIDING AN EFFECTIVE DATE

WHEREAS, the Boca Raton Community Redevelopment Agency ("Agency") is a public body corporate and politic created by the City of Boca Raton ("City") pursuant to Part III, Chapter 163, Florida Statutes (the "Community Redevelopment Act" or "Act"), for the purpose of carrying out community redevelopment within the Downtown Boca Raton Community Redevelopment Area (the "Redevelopment Area"), consistent with the adopted and amended community redevelopment plan (the "Redevelopment Plan"); and

WHEREAS, in furtherance of the Redevelopment Plan, the Agency acquired or otherwise holds various real property and associated proprietary interests within the integrated redevelopment project commonly known as Mizner Park, including fee, reversionary, landlord, easement, common-area, and other interests associated with commercial and office uses, cultural

facilities, public and civic areas, leased property, and undeveloped property, all as more particularly described or identified in Exhibit “A” (collectively, the “Mizner Park Property” or “Mizner Park”); and

WHEREAS, Mizner Park was conceived, assembled, financed, and developed through coordinated redevelopment efforts, private investment, and municipal oversight to eliminate blight, catalyze investment, and serve as a long-term anchor for the revitalization of the Redevelopment Area in accordance with the Redevelopment Plan; and

WHEREAS, Mizner Park has developed into a principal mixed-use, commercial, cultural, civic, and public destination within the Redevelopment Area, and its various components are physically and functionally integrated as part of a unified redevelopment project; and

WHEREAS, the Agency entered into an interlocal agreement with the City to finance the acquisition and redevelopment of Mizner Park through tax-exempt bonds, which have since been fully satisfied; and

WHEREAS, Mizner Park has operated successfully for more than three decades as a major economic, cultural, civic, and public asset within the Redevelopment Area; and

WHEREAS, pursuant to Section 163.3755, Florida Statutes, and Resolution No. 62-2025 adopted by the City Council on April 22, 2025, the legal existence of the Agency extends only through September 30, 2043; and

WHEREAS, portions of the Mizner Park Property are subject to existing long-term leases and other agreements, including, among others, that certain Amended and Restated Retail Lease dated March 29, 1990, as amended (the “Retail Ground Lease”), with a term running through April 30, 2088; and

WHEREAS, the ownership, leasing, operation, management, maintenance, administration, capital planning, and stewardship responsibilities associated with the Mizner Park Property are continuing and long-term in nature and, in several respects, extend beyond the Agency’s currently authorized lifespan; and

WHEREAS, because the Agency has a finite statutory duration, long-term ownership and administration of the Mizner Park Property would ultimately require succession to another entity, and addressing that transition in a coordinated manner will promote certainty and continuity and avoid fragmented or piecemeal transfers of individual parcels and interests in the future; and

WHEREAS, the City is the continuing general-purpose municipal government with jurisdiction over the Redevelopment Area and possesses continuing municipal responsibility for land use, infrastructure, public services, economic development, public facilities, and other municipal functions affecting Mizner Park and the Redevelopment Area; and

WHEREAS, consolidation of the Agency's real property and associated proprietary interests within Mizner Park in the City will promote continuity of public ownership and stewardship, coordinated municipal administration, maintenance and capital planning, consistent administration of existing leases and other governing instruments, and the orderly long-term management of redevelopment assets beyond the statutory life of the Agency; and

WHEREAS, Ordinance No. 5790 amends the Amended Downtown Plan to add Implementation Policy 1.5 promoting long-term certainty, stability, and continuity in the ownership, operation, management, maintenance, and stewardship of CRA-owned property and recognizing that, where appropriate to further the purposes of the Redevelopment Plan, CRA-owned real property and associated proprietary interests may be consolidated in the City through intragovernmental conveyance; and

WHEREAS, Section 163.400, Florida Statutes, expressly authorizes a public body, for the purpose of aiding in the planning, undertaking, or carrying out of community redevelopment and related activities, to convey its interest in property to a municipality or community redevelopment agency, with or without consideration; and

WHEREAS, Section 163.400(2), Florida Statutes, further provides that a qualifying conveyance between public bodies may be made without appraisal, public notice, advertisement, or public bidding; and

WHEREAS, the Agency finds that the conveyance of the Mizner Park Property to the City constitutes cooperation between public bodies undertaken in furtherance of community redevelopment and related activities and may be made without monetary consideration pursuant to Section 163.400, Florida Statutes; and

WHEREAS, the Agency further finds that stable and coordinated long-term stewardship of the Mizner Park Property, including administration of existing leases and other governing instruments, maintenance and improvement of public and common areas, support of cultural and civic uses, capital planning, and appropriate future redevelopment of developed and undeveloped property, advances the objectives of the Redevelopment Plan and the purposes of Part III, Chapter 163, Florida Statutes; and

WHEREAS, the contemplated conveyance will not alter the boundaries of the Redevelopment Area; and

WHEREAS, the Agency has considered the effect of the conveyance upon its outstanding financial and contractual obligations and finds that the conveyance will not impair any outstanding obligation of the Agency, the integrity of the redevelopment trust fund, or the continued implementation of the Redevelopment Plan; and

WHEREAS, the conveyance will be made subject to all existing leases, declarations, agreements, restrictions, covenants, easements, and encumbrances affecting the Mizner Park Property, and neither this Resolution nor the conveyance authorized hereby is intended to amend, terminate, impair, or otherwise alter the rights or obligations of any third party under any such governing instrument; and

WHEREAS, upon conveyance and acceptance of the Mizner Park Property, the City will succeed, to the extent provided by applicable law and the terms of the applicable governing

instruments, to the Agency's rights and obligations arising from its ownership of the conveyed property, including applicable rights and obligations as landlord under leases affecting the conveyed property; and

WHEREAS, the Agency finds that the comprehensive conveyance of the Mizner Park Property to the City, rather than the separate transfer of individual parcels and interests over time, is consistent with and furthers the Redevelopment Plan and is in the best interests of the public, the Redevelopment Area, and the residents of the City; and

WHEREAS, a form of Intragovernmental Conveyance Deed conveying the Mizner Park Property from the Agency to the City has been prepared and is attached hereto as Exhibit "B" (the "Deed");

BE IT RESOLVED BY THE BOARD OF THE BOCA RATON COMMUNITY REDEVELOPMENT AGENCY:

Section 1. The foregoing recitals are true and correct and are incorporated herein as legislative findings of the Agency.

Section 2. The Agency hereby authorizes, pursuant to Section 163.400, Florida Statutes, the intragovernmental conveyance to the City of Boca Raton of the Mizner Park Property, as more particularly described or identified in Exhibit "A," without monetary consideration and subject to all existing leases, declarations, agreements, restrictions, covenants, easements, and encumbrances affecting the property. The conveyance shall include the Agency's fee, reversionary, easement, common-area, landlord, and other real property or proprietary interests appurtenant to or arising from ownership of the conveyed real property, including rights to rents and other amounts accruing from and after the effective date of the conveyance under leases affecting the conveyed property, to the extent provided by applicable law and the applicable governing instruments.

Section 3. The Chair of the Agency, or designee, is authorized to execute and deliver the Deed in substantially the form attached hereto as Exhibit "B," with such nonmaterial changes as

may be approved by the CRA Attorney, together with any other notices, certificates, confirmatory instruments, or other documents reasonably necessary or appropriate to effectuate the conveyance authorized by this Resolution.

Section 4. Upon delivery of the Deed and acceptance of the conveyance by the City, the City shall succeed to the Agency's right, title, and interest in the Mizner Park Property and, to the extent provided by applicable law and the applicable governing instruments, to the Agency's related rights, powers, duties, and obligations arising from ownership of the conveyed property, including applicable rights and obligations as landlord under leases affecting the conveyed property. No separate assignment shall be required solely to effect the City's succession to rights and obligations that pass by virtue of the conveyance of the underlying estate; provided, however, that the CRA Attorney may approve or prepare any confirmatory assignment, notice of succession, or other instrument determined to be appropriate with respect to a particular lease, agreement, or other interest.

Section 5. Nothing in this Resolution or in the conveyance authorized hereby shall amend, modify, terminate, release, impair, or otherwise alter any existing lease, declaration, agreement, restriction, covenant, easement, or encumbrance affecting the Mizner Park Property, except to the extent expressly agreed by the parties thereto in a separate instrument authorized in accordance with applicable law.

Section 6. If any section, subsection, clause or provision of this resolution is held invalid, the remainder shall not be affected by such invalidity.

Section 7. All resolutions or parts of resolutions in conflict herewith shall be and hereby are repealed.

Section 8. This resolution shall take effect immediately upon adoption.
