GOLF CODE OF CONDUCT

- Obey cart rules and on course signage.
- Be cognizant of severe weather conditions and seek shelter if needed.
- Play ready golf - Playing ready golf means that each golfer should be prepared to hit their shot as soon as it's their turn, without any delays or waiting for someone else to play. This not only saves time but also helps to keep everyone in the same rhythm throughout the game.
- Fix ball marks and replace divots.
- Be respectful at all times to fellow players, golf staff and homeowners. Please no profanity.
- Stay off private property. If your ball lands out of bounds and into private property, do not attempt to retrieve the ball. Please take a drop within two club lengths where it went out of bounds and no closer to the hole.
- There are restrooms in the clubhouse, on the 3rd hole, in the turn building, and on the 15th hole. Relieving oneself anywhere else on the course is strictly prohibited.
- For any questions or to report unseemly behavior, please contact the pro shop at (561)367-7029.
