DOWNTOWN BOCA

DATE: October 20, 2026

TO: Chairman and Members
Community Redevelopment Agency

FROM: Mark Sohaney
Executive Director

RE: Resolution No. 2026-09-CRA: A resolution of the Boca Raton Community Redevelopment Agency recommending that the City Council adopt proposed Ordinance No. 5790 amending the Amended Downtown Plan (Plan) to add a new implementation policy promoting long-term certainty, stability, and continuity in the ownership and stewardship of CRA-owned property, including Mizner Park.

RECOMMENDATION: I recommend approval of Resolution No. 2026-09-CRA recommending that the City Council adopt proposed Ordinance No. 5790, attached as Exhibit "1," which, if approved, will amend the Amended Downtown Plan by adding a new Implementation Policy 1.5 concerning the long-term ownership, operation, management, maintenance, and stewardship of CRA-owned property within the Redevelopment Area.

BACKGROUND: The Boca Raton Community Redevelopment Agency ("Agency") owns or holds various real property and associated proprietary interests within Mizner Park, including interests underlying or associated with commercial and office leases, cultural facilities, CRA-owned and operated public and common areas, and undeveloped property.

The Agency has a limited statutory existence through September 30, 2043, while a number of the ownership, leasing, operation, management, maintenance, and stewardship interests associated with Mizner Park are continuing and long-term in nature. The proposed Ordinance No. 5790 would amend the Amended Downtown Plan to expressly recognize the importance of long-term certainty, stability, and continuity in the ownership and stewardship of CRA-owned property.

Specifically, the proposed Implementation Policy 1.5 would provide that, where appropriate to further the purposes of the Amended Downtown Plan, the City and Agency may consolidate CRA-owned real property and associated proprietary interests in the City through intragovernmental conveyance. Such consolidation may include fee, landlord, reversionary, easement, common area, and other real property or proprietary interests associated with leased, civic, cultural, public, or undeveloped property comprising or associated with an integrated redevelopment project such as Mizner Park.

The proposed amendment is intended to facilitate continuity of public ownership and stewardship, reduce fragmentation of public ownership, provide for coordinated municipal administration, and allow for the orderly long-term management of redevelopment assets beyond the statutory life of the Agency.

A copy of proposed Ordinance No. 5790 is attached as Exhibit "1" for your reference.

FISCAL IMPACT: There is no fiscal impact associated with this proposed request.

STRATEGIC IMPACT: This amendment to the Amended Downtown Plan supports the City's Growth Management, Quality of Life, and Vibrant Economy strategic focus areas.

AN ORDINANCE OF THE CITY OF BOCA RATON AMENDING THE AMENDED DOWNTOWN PLAN (A COMMUNITY REDEVELOPMENT PLAN) TO ADD A NEW IMPLEMENTATION POLICY TO SECTION VIII "MANAGEMENT, IMPLEMENTATION, AND SAFEGUARDS" TO PROMOTE LONG-TERM CERTAINTY, STABILITY AND CONTINUITY IN THE OWNERSHIP AND STEWARDSHIP OF CRA-OWNED PROPERTY, INCLUDING MIZNER PARK, LOCATED WITHIN THE REDEVELOPMENT AREA; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEALER; PROVIDING AN EFFECTIVE DATE

WHEREAS, on August 10, 1982, the City Council of the City of Boca Raton adopted Ordinance No. 3109, which approved a Community Redevelopment Plan for Downtown Boca Raton ("Downtown Plan"), pursuant to the applicable provisions of Chapter 163, Part III Florida Statutes; and

WHEREAS, on January 24, 1995, the City Council adopted Ordinance No. 4203, which adopted an amendment to the Downtown Plan; and

WHEREAS, on November 12, 2008, the City Council adopted Ordinance 5051, on September 9, 2020, the City Council adopted Ordinance No. 5530, on May 23, 2023, the City Council adopted Ordinance No. 5648, on November 14, 2023, the City Council adopted Ordinance No. 5652, on July 23, 2024, the Council adopted Ordinance No. 5695, on September 9, 2025, the City Council adopted Ordinance No. 5748, and on September 22, 2026, the City Council adopted Ordinance No. 5807, each of which further amended the Downtown Plan, ("Amended Downtown Plan"); and

WHEREAS, the Amended Downtown Plan aims to foster an economic environment conducive to quality development and redevelopment in Downtown Boca Raton, including through coordinated redevelopment efforts, private investment, and municipal oversight; and

WHEREAS, Mizner Park was planned and developed as an integrated redevelopment project consisting of interconnected commercial, office, cultural, civic, public, common area, and other components, and the CRA continues to own or hold various real property and associated proprietary interests within Mizner Park, including interests underlying or associated with commercial and office leases, cultural facilities, CRA-owned and operated public and common areas, and undeveloped property; and

WHEREAS, the CRA's finite legal existence, which extends only through September 30, 2043, while many of the ownership, leasing, operation, management, maintenance, civic, cultural, and stewardship interests associated with major redevelopment assets such as Mizner Park are continuing and long-term in nature, creates a need for orderly planning concerning the long-term public ownership and administration of such interests; and

WHEREAS, the City Council finds that the long-term success of integrated redevelopment projects such as Mizner Park may be advanced by consolidating CRA owned real property and associated proprietary interests in the City, the permanent general purpose municipal government, thereby providing continuity of public ownership and stewardship, reducing fragmentation of public ownership, facilitating coordinated municipal administration, and

supporting continued maintenance, reinvestment, modernization, and future redevelopment; and

WHEREAS, Section 163.400, Florida Statutes, authorizes the CRA, in furtherance of community redevelopment and related activities, to convey interests in property to the City; and

WHEREAS, the City Council desires to amend Section VIII of the Amended Downtown Plan to add a new Implementation Policy 1.5, providing that the City and CRA shall promote long-term certainty, stability and continuity relating to CRA owned property, where appropriate, through the consolidation in the City of CRA-owned real property and associated proprietary interests; and

WHEREAS, the CRA has recommended the Amended Downtown Plan be so further amended; and

WHEREAS, the City Council has held a public hearing on the proposed amendment to the Amended Downtown Plan, after public notice thereof; now therefore
