DATE: June 1, 2026

TO: Mark Sohaney
City Manager

Deputy City Manager, CFO

SUBJECT: DOWNTOWN SPECIAL ASSESSMENTS FOR 2027

The Downtown Special Assessment billing for 2027 is necessary to fund the debt service payments (January 1 and July 1, 2027) and administrative costs associated with the special assessment revenue bonds for fiscal year 2026/2027.

The City Council is required to adopt a resolution that establishes a special meeting of the City Council to equalize and adopt the special assessments for 2027. This resolution should be considered by the City Council at the July 28, 2026 meeting.

The special meeting to equalize and accept the special assessment amounts for 2027 should occur on September 08, 2026, immediately following the Boca Raton Community Redevelopment Agency meeting that is scheduled to begin at 10:00 a.m. The special assessment amounts for 2027 will be billed on October 14, 2026, with payment due on or before January 1, 2027.

Brief History

The City Council approved the original Downtown Capital Projects Financing (Visions 90) Program in March 1988. Downtown property owners would pay for certain infrastructure projects that specifically benefit the downtown. Revenue bonds were issued to fund these improvements by levying special assessments against the benefited properties using the ad valorem method (property values).

In January 1990, the City Council adopted a revised Visions 90 Program and subsequently issued three special assessment revenue bond issues in the amounts of \$9.2 million in 1992, \$3.975 million in 1993, and \$3.180 million in 2000. All three bond issues were refunded by the Series 2001 Bonds with a par value of \$14.635 million. The Series 2001 Bonds were refunded by the Series 2009 Bonds with a par value of \$11.205 million to reduce interest costs. In June 2010, the final portion of the special assessment bonds was issued in the amount of \$3.705 million. On July 1, 2022 the final payment for the Series 2009 Bonds was made.

During fiscal year 2025/26, the City Council adopted Resolution No. 129-2025 which equalized and accepted the preliminary special assessment roll and equalized the special assessments in the total amount of \$304,641 for 2026. The special assessment amounts on the benefited

properties in the downtown were billed October 16, 2025, and were due on January 1, 2026. The City has collected 90 percent of the 2026 special assessment billing.

Who is Assessed

A report prepared by Robert J. Harmon and Associates, Inc. "Benefit Evaluation of the Boca Raton Visions 90 Special Assessment Program" stated that all property owners within the defined Downtown Development of Regional Impact (DDRI) zone will directly benefit from the Visions 90 Program. Single family homes and houses of worship do not directly benefit from the impacts unless redeveloped; therefore, the appraised value of houses of worship and all residentially zoned parcels (R1D and R3) are excluded from the special assessment. If a residence has been built on commercially zoned property, then they are included in the special assessment.

Equalization and Adoption of Special Assessments

The City Council is required to adopt a resolution that establishes a special meeting of the City Council to equalize and adopt the special assessments for 2027. This resolution should be considered by City Council at the July 28, 2026 meeting. The 2027 special assessments use the 2025 Certified Tax Roll from the Palm Beach County Property Appraiser's Office.

Notice of the special meeting of City Council will be published twice at least a week apart with the last publication at least one week prior to the meeting and a notice will be mailed to the downtown property owners of the special assessment installment amount for 2027.

The purpose of the special meeting is to hear and consider any and all comments, requests, and opinions relating to the levying of the 2027 Special Assessments. After all the protests are heard, a recommendation is made concerning any adjustments and equalization of the special assessment amounts for 2027. Consideration should be given to the fact that the total special assessment amounts will not change only the pro-rata share for each parcel may change.

The special meeting of City Council should be scheduled on September 8, 2026, at 10:00 a.m. immediately following the Boca Raton Community Redevelopment Agency meeting, so that sufficient time is allowed to finalize the billing prior to October 15, 2026. The 2027 special assessment amount will be due and payable no later than January 1, 2027.

Attached is a timeline of the dates and events that need to occur as part of this process.

Calculation of Special Assessment Installment Amount

Debt service payments	\$281,744
1% Administrative cost	<u>2,817</u>
Total	284,561
Amount to be billed (at 95% collection rate)	<u>299,538</u>
Add/(Deduct): Amount for rounding	<u>(1,665)</u>
Total Amount to be collected	<u><u>\$297,873</u></u>
2025 tax roll benefited properties	\$3,472,091,539
2027 Special Assessment Rate	0.000086

The 2024 tax roll amount was \$3,042,869,340 and the rate for 2026 was .000100. The 2027 special assessment rate is a decrease of 14% from the prior year. This percentage decrease is due to an increase of property values in the area and the addition 152 new properties as part of the Alina development.

The special assessment process followed this year will be followed each year until all the special assessment revenue bonds are paid off in the year 2030.

If there are any questions, please feel free to contact me.
