Insurance Board announces the addition of a Legal Helpline through our partnership with the Association of Conference Attorneys (ACA) of the United Church of Christ. All Insurance Board participants can access legal counsel that will provide a free legal consultation and referral service. Ministries will benefit from connecting with attorneys who have an intimate understanding of polity and how issues are processed in observance of free church traditions. Contact the Legal Helpline at 800-437-8830 (prompt #7), or email your inquiry to legalhelpline@insuranceboard.org. As the only non-profit insurance provider serving six denominations through our exclusive covenant, our ministry continues to offer resources to protect yours.
