

Announcing the St. Paul's Diaper Bank

Dear valued members of the community,

St. Paul's United Church of Christ will launch a *Diaper Bank* based out of its location at 927 N. Franklin St in Pottstown. Beginning November 2nd, the Diaper Bank will be open every Wednesday from 10am-12pm. Volunteers will assist Pottstown families in obtaining diapers, wipes and other baby essentials, at no-cost. St. Paul's Diaper Bank will be the first of its kind for the Pottstown area and we look forward to serving local families experiencing financial hardship. Please kindly alert families you know who may benefit from the services. Our only requirement is that the families reside in Pottstown.
