ST LUKE'S MINER'S COMMUNITY HEALTH PRESENTS:

ACEs and Resilience

The invisible and unexpected consequences of early adversity, toxic stress and the power of connection.

Thursday, March 19, 2020
9 am - 12 noon
First United Church of Christ
110 Route 61 South, Schuylkill Haven, PA
RSVP to Pastor Shawn VanDyke
firstuccpastor@verizon.net by March 12

Early adversity leaves an imprint on survivors' bodies and brains with negative health outcomes for many. We will explore the ACEs (Adverse Childhood Experiences) and Resiliency research in order to better understand those we encounter both personally and professionally.
