Delco Day of Recovery

Many residents of Delaware County are still in need of help cleaning up after the flooding of August 12, 2018. Needs include: removing debris, mucking out mud, gutting out wet drywall, pressure washing walls, and remediating mold.

Volunteers are needed!!!

- **Monday, October 15, 2018 at 7 pm** we will be conducting a call center to organize the list of potential work locations for our clean up day.
  Delaware County 911 Center, 360 N. Middletown Road, Media, PA 19063

- **Thursday, October 25, 2018 at 7 pm** we will conduct a briefing on our response plan, affiliate individual volunteers to regional VOAD organizations.
  Delaware County 911 Center, 360 N. Middletown Road, Media, PA 19063

- **Saturday, October 27, 20-18 at 8 am** we will conduct just in time training for volunteers, provide PPE, divide volunteers into teams, and make work assignments. Work will be completed throughout Saturday. A hot wash will be conducted at 4 pm.
  Location to be determined

- **All work we will be conducted by participating VOAD agencies**. Individual volunteers will affiliate with a VOAD agency to participate. The County of Delaware is NOT a VOAD agency. The Department of Emergency Services is coordinating this effort.
