OPIOID ADDICTION Education Forum

Lehigh Carbon COMMUNITY COLLEGE

CHC Skills for life's challenges • Center for Humanistic Change, Inc.

Friday February 19, 2021, 8:30 a.m.-12:30 p.m.

This virtual forum, presented on Zoom, is free to the public. 3 Continuing education credits for counselors and social workers available.

Are you concerned about a loved one showing signs of opioid use; a professional in a medical or behavioral healthcare setting; or a community member concerned about the opioid epidemic? This forum, funded by a grant from the PA Department of Drug and Alcohol Programs, is for you.

Too many of our children and loved ones have lost their lives to the opioid epidemic. However, this region is fortunate to have exciting new resources for reaching people struggling in our communities, engaging them in early recovery, and educating the public in preventing and responding to opioid addiction. The Center for Humanistic Change in partnership with Lehigh Carbon Community College will share exciting new developments in recovery.

SPEAKERS & SESSIONS

- Lisa Wolff from CHC will provide general education on opioid use disorders and using Narcan to reverse overdose.
- An interactive virtual version of the Mock Teen Bedroom lets attendees search for signs of drug use in a teen's room.
- Paige Roth, CRS, shares her recovery journey and some new programs connecting people with treatment in the wake of an overdose.
- Emily Leonardo, CRS, discusses her outreach to addicted individuals living on the street in Allentown.
- Local treatment centers and self-help groups will be available to answer questions and share resources.
