COVID-19 HELPLINE

The Keystone Disaster Spiritual Care Network (KDSCN) has launched a helpline for spiritual and emotional support. The service is open to anyone seeking guidance or who just needs someone to talk to during this time of uncertainty and fear.

ABOUT THE HELPLINE

Trained volunteers from the religious community will be available to assist people of all faiths by listening actively and providing encouragement without judgement based on the best practices of The National Voluntary Organizations Active in Disaster (NVOAD) for spiritual and emotional care in times of crisis.

Those taking the calls are religious leaders from a variety of faith traditions in Pennsylvania who have completed training to respond to disasters. They have received additional training to assist people who are seeking both spiritual and emotional support.
