"We Need to Be Uncomfortable"

#justiceforfloyd
#justiceforamaud

Many of our students have seen the heartbreaking videos that show the deaths of Amaud Arbrey and George Floyd. They are talking about it and posting about it on social media. Now is the time to have an open conversation with your student about the reality of racism. We need to teach our students and even remind ourselves that every human being is an image bearer of God the Father. Please take a moment to read this article from the Gospel Coalition and have an open conversation with your student.
