READING PLAN

Students have more free time right now and the Bible reading plan is a great resource to help them dive into the Word of God every day.

FAMILY CONNECTION

The Family Connection will help you have a conversation with your student around the Word of God. It is based on the Life Group curriculum we use.

PARENT ARTICLE

We are living a new reality for students right now. This article shares how to talk through loss and gratitude during uncertain times.

WORSHIP PLAYLIST

We can't be in live worship together, but this Spotify playlist includes many of the songs we typically sing during midweek to help you worship at home.
