Weekly Update

SUNDAY NIGHT LIFEGROUP

Starting July 5th, we will have Sunday night online Life Group. We will send out a ZOOM link that students can join. During this time, we will have a large group teaching time and then break students out into their groups.

Some group might do a "watch party" and instead of gathering online, gather at a leaders house and watch the large group teaching and then have in person discussion.

PARENTPARTNER

Parents, we want to resource you to be a spiritual influence in the lives of your students. Every month, starting in Mid-July, I will send out a "Parent Partner" email. This email will include a months worth of resources to help you have intentional conversations and experiences with your students.
