

COMMUNITY NEWS

Message from the Board

STONEGATE STRONG

Residents are really loving the newly-renovated Fitness Center, which now features state-of-the-art fitness equipment, expanded space for floor exercises, and a wider selection of weights to suit every workout style and goal. To extend the lifespan and manage repair costs, the new layout has been designed to keep treadmills safe from damaging UV rays.

Homeowners are also enjoying the convenience of complimentary water bottle fill-ups from our advanced reverse osmosis system.

We appreciate all the positive feedback and seeing everyone at the Open House on March 15th where we sipped tropical (sports) drinks and tried out the NEW Peloton Bike. Let's GET FIT, neighbors!

Patricia Davis, 2026 HOA President

APRIL EVENTS:

Sunday, April 26th - Splish Splash Bash 1 pm - 3 pm
SplashPad Texas Spray Park @ 9901 Red Rugosa Drive
 Come celebrate the renovation of our SplashPad with some fun in the sun! Community favorite, DJ Roly, will be joining us for games, prizes, snacks, and a scavenger hunt! The first 150 homeowners will enjoy FREE Kona Ice. (Additional orders available for purchase.)

NOTE: The date of this event is **tentative**. This celebration is dependent on project completion dates.

WHAT'S HAPPENING THIS MONTH?

The Board is happy to announce that, thanks to overwhelming homeowner engagement, we now have 4 fully-formed committees: Finance, ACC, Parking, and Social. Thank you to all our wonderful volunteers!

The Social Committee will be meeting for the first time this month and starting preparations for more fun events, Christmas decor, and many more ways to celebrate and socialize as a community.
