See The Good

RESTORING VISION & PREVENTING BLINDNESS

California Lions Friends in Sight

Our all-volunteer work takes us throughout Southern California and Northern Mexico serving those in need. Every year we see thousands who can't afford eyeglasses or a doctor visit. We come with testing equipment, recycled eyeglasses, computers, and caring volunteers. On any given Saturday, **we'll see 300 people**. All receive a free eye health screening by a licensed optometrist or ophthalmologist. Everyone who needs eyeglasses gets eyeglasses, free.

HELP REPLACE OUR VAN

After 10 years towing two 16-foot trailers and volunteers to more than 600 events, our vans are exhausted. Repairs exceed their value and we're reaching out to the community for help. Your generous donation will keep us on the road to serving people most in need.

The Goal

Raise \$55,000 by June for the first of two new vans.
