

Each year, the NJSPE's Education Foundation sponsors the NJ MATHCOUNTS events throughout the state. The Competition Series is for middle school students grades 6 – 8. It consists of school competitions with the winners moving on to regional and then state competitions. The national competition was held in Orlando in May.

The MATHCOUNTS motto is "Some students love math. Other students fear math. MATHCOUNTS is a place for both." Below are the regional and state competition dates along with the contact information for the respective coordinator. If you would like to become involved in or donate to MATHCOUNTS, please contact Lisa Jones at LJones@njspe.com
