**SPONSORSHIP OPPORTUNITIES FOR THE
NEW JERSEY STATE MATHCOUNTS COMPETITION**

RUTGERS UNIVERSITY — BUSH CAMPUS

MARCH 9, 2019

For more than 30 years, MATHCOUNTS has provided enriching, extracurricular opportunities to middle school students and free, high-quality resources to educators. Every child is unique, but MATHCOUNTS believes all children are capable of seeing the beauty and joy of math, whether they are currently passionate about math or intimidated by it.

New Jersey MATHCOUNTS is passionate about giving middle school “Mathletes” the opportunity to participate in a math-based competition. The experience strengthens not only their math skills, but comradery among like-minded students. These sponsorships are an opportunity for New Jersey engineering firms to encourage and build relationships with these amazing Mathletes, their parents and other Professional Engineers.

**LAST YEAR, NEW JERSEY PLACED
THIRD IN THE NATION!**

The NJSPE Educational Foundation
is seeking the following \$500 sponsorships:

1 Commemorative Program Sponsor
