9. Select Enroll
10. Voila, you're all set!

Instructions and a [**video demonstration**](#) of how to do so on the app, created by St. Peter's Montessori School parent, Rebekah Singh. It can also be done on the website. We challenge everybody to get three family members/friends signed up. St. Peter's Montessori Schools gets quarterly checks sent from this program. As long as you input your VIP card number for every Fry's grocery purchase, the school will get a percentage. Nothing extra needs to be done besides enrollment!
